

Re: Rodeo Rides Leased Horse Program

Dear Horse Owner,

The National High School Finals Rodeo is returning to Gillette, Wyoming July 16th – 23rd 2017 and we are busy making preparations for the 1,700 plus contestants who will descend on the CAM-PLEX facility for 10 days of action packed rodeo competition, culminating in the crowning of national champions. One of the most important programs that our host committee provides for the contestants is the leased horse program known as “Rodeo Rides”.

The “Rodeo Rides” committee is putting together a catalogue of affordable, qualified performance horses to provide to the NHSFR qualifiers who are unable to bring their own horse to Gillette and need to lease a horse from this area. In order to submit your horse for inclusion in the “Rodeo Rides” catalogue, you will need to submit an application form to the “Rodeo Rides” committee no later than May 31, 2017. Once we have all the applications in, we will put together the catalogue and publish it online at www.cam-plex.com and will distribute it to all the National Directors and State Secretaries as well as any other interested parties who request one.

It is up to the individual contestants to contact you directly to make lease arrangements. When arranging the lease agreement with the contestant, please take into consideration stall expenses, feed and grooming responsibilities, transportation, practice and jackpot time and insurance. All horses included in the “Rodeo Rides” program must have current health and coggins tests and must go through the check-in process as outline in the guidelines. The Gillette Host Committee and “Rodeo Rides” program is not responsible or liable for any arrangement between the horse owner and a contestant.

Thank you for your interest in the “Rodeo Rides” program and we look forward to receiving your completed application. If you should have any questions, please contact me at 307-680-4253 or by email at thebecks@collinscom.net and I will be happy to help you.

Sincerely,
Michelle Beck
“Rodeo Rides” Coordinator
