

Riders In The Sky are truly exceptional. By definition, empirical data, and critical acclaim, they stand “hats & shoulders” above the rest of the purveyors of C & W - “Comedy & Western!” For more than thirty years Riders In The Sky have been keepers of the flame passed on by the Sons of the Pioneers, Gene Autry and Roy Rogers, reviving and revitalizing the genre. And while remaining true to the integrity of Western music, they have themselves become modern-day icons by branding the genre with their own legendary wacky humor and way-out Western wit, and all along encouraging buckaroos and buckarettes to live life “The Cowboy Way!”
